Urinary marker (MMP-9) and bladder cancer ISAAHSAL Nahi Yousif Yaseen, Rana S. Aziz, Refif Sabih AL-Shawk, Maysoun Ali ... Iraqi Journal of Cancer and Medical Genetics 9 (1), 5-18	2016
The Correlation of Lipocalin-2 and Retinol Binding Protein-4 with the Inflammatory State in Iraqi Patients with T2DM	2016

Publications**Year**

SA Wadood, RS Al-Shawk, SF Sabir
Iraqi Journal of Science 57, 802-807

Intercellular Adhesion Molecule-1, Vascular Adhesion Molecule-1, Interlukin1- β , and C-reactive protein Levels in Iraqi Patients with Type 2 Diabetes Mellitus
SA Wadood, R Al Shawk, H Baher
Journal of Dental and Medical Sciences 13 (4), PP 55-62

2014

Immunohistochemical evaluation of renal allograft biopsies from a sample of iraqi renal transplant recipients
TY Al-Azzawi, RS Al-Shawk, TJ Al-Tae
Mustansiriya Medical Journal 18 (2), 97

2019

Evaluation of Some Pro-inflammatory and Anti-inflammatory Factors in Patients with Acromegaly
RS Al-Shawk
Mustansiriya Medical Journal 16 (3), 71-76

2017

URINARY NEPHRIN AND URINARY MCP-1 BIOMARKERS PREDICTS THE PROGRESSION OF DIABETIC NEPHROPATHY IN TYPE 2 DIABETIC PATIENT
DM Khalaf, RSJ Al-Shawk, INS Al-Karawi
G.J.B.B. 6 (2), 191-197

2017

Trend Of Immunological Markers of Type 1 Diabetes Mellitus in a Sample of Iraqi Children
TFR AL-Auqbi, MAJ Bahrani, BA Abed, RSJ Al-Shawk
Middle East Journal of Internal Medicine 63 (901), 1-4

2013

Achieving Target of Treatment of Hypertension and Dyslipidemia in type 2 Diabetic Patients
NS Saffar, FY Al-Doori, RS Al-Shawk, Baydaa AhmedAbed
Iraqi J. Comm. Med., 2, 154-157

2013

The Effect of High Insulin Resistance and Obesity on serum level of IL-12 in a sample of Iraqi patients with Type 2 Diabetes Mellitus
RS Al-shawk, IN Salman, YD Saihood, KA Khalifa, AH Ad'hiah.
Al- Mustansiriyah J. Sci. 24 (2), 9-18

2013
